

Appendix 5. Recurrence of DVT and other thrombosis events. Recurrence of Thromboembolic Events includes Pulmonary Embolism, Superficial Venous Thrombosis and Deep Venous Thrombosis. Legend: CVA - cerebrovascular accident; VTE – Venous Thromboembolic Event.

| | Without PTS (n = 41) | With PTS (n = 60) | Total (n = 101) | p |
|--|-------------------------|----------------------|--------------------|----|
| Recurrence of Deep Vein Thrombosis | | | | |
| Ipsilateral n (%) | 2 (5) | 8 (13) | 10 (10) | NS |
| Contralateral | 1 (2) | 4 (7) | 5 (5) | NS |
| Other than lower limbs | 1 (2) | 2 (3) | 3 (3) | NS |
| Superficial venous thrombosis | | | | |
| Superficial venous thrombosis | 3 (7) | 3 (5) | 6 (6) | NS |
| Pulmonary Thromboembolism and total Thromboembolic events | | | | |
| Pulmonary thromboembolism | 1 (2) | 1 (2) | 2 (2) | NS |
| Recurrence of VTE | 6 (15) | 16 (27) | 22 (22) | NS |
| Stroke | | | | |
| Number of CVA | | | | |
| Haemorrhagic | 1 (2) | 5 (3) | 4 (4) | NS |
| Ischemic Stroke | 1 (2) | 0 | 1 (1) | NS |
