

Curricular Unit of Morphophysiology of Nervous System

Academic Year 2013/2014

This survey aims to know your opinion about the Curricular Unit of Morphophysiology of Nervous System, allowing the implementation of actions aimed at improving the teaching/learning process of this area of knowledge in the undergraduate medical education. The questionnaire is anonymous and confidential. Your opinion is very important. Please answer the questions sincerely.

1. Age:   years      2. Sex:  Female    Male

3. Score obtained in Morphophysiology of Nervous System:

4. Regarding the **GENERAL ORGANIZATION** of the Curricular Unit (CU) of Morphophysiology of Nervous System, indicate your level of agreement. Please fill the number (scale 1-5) that best matches your opinion (1 = strongly disagree; 2 = mostly disagree; 3 = neither agree nor disagree; 4 = agree mostly; 5 = completely agree):

	1	2	3	4	5
4.1. The CU was well organized	<input type="radio"/>				
4.2. The program presented stimulated learning	<input type="radio"/>				
4.3. The objectives of the CU were well defined	<input type="radio"/>				
4.4. The contents were worked in accordance with the goals	<input type="radio"/>				
4.5. The CU achieved the expected goals	<input type="radio"/>				
4.6. The duration of the CU was adequate	<input type="radio"/>				
4.7. The time devoted to practice classes was adequate	<input type="radio"/>				
4.8. The time devoted to learning was enough	<input type="radio"/>				
4.9. There was coordination between the theoretical and practical teaching	<input type="radio"/>				
4.10. The teaching methods used were appropriate	<input type="radio"/>				
4.11. The proposed/available resources were adequate	<input type="radio"/>				
4.12. The selected teaching material was adequate to learning	<input type="radio"/>				
4.13. During my learning, I had the necessary support from teachers	<input type="radio"/>				
4.14. The assessment was consistent with the goals	<input type="radio"/>				
4.15. The time available for the exam was adequate	<input type="radio"/>				
4.16. Overall, I consider the faculty outstanding	<input type="radio"/>				
4.17. Overall, I consider this area excellent	<input type="radio"/>				
4.18. Overall, this area contributed to my personal development	<input type="radio"/>				
4.19. I acquired/developed skills that I find applicable	<input type="radio"/>				
4.20. The CU corresponded to my expectations	<input type="radio"/>				

5. What is your level of satisfaction regarding the education provided in the CU of Morphophysiology of Nervous System?

- Very dissatisfied    Dissatisfied    Neither satisfied nor dissatisfied    Satisfied    Very satisfied

6. What are the three (3) aspects that you considered most positive in this CU?

7. What are the three (3) aspects that you considered most negative in this CU?

8. Comments and suggestions on how to improve the CU.

Thank you for your cooperation!
